Nordic Address Meeting (on Teams) Land Report 2021 – Faroe Islands

Stein Fossá

Umhvørvisstovan

Last time Faroe Islands participated - 2016

1. april 2019 Faroe Islands took over landmapping

1. jan. 2020 Faroe Islands took over nautical charts

We are now 8 persons in the department called Land- og Sjókort

Land- og Sjókort also maintain the addresses

Addresses which were in BentleyMap are now in ArcGIS Pro
